Color matching

Free adjustment

Ra90
Rendering index

1280 Lux/45cm

6063 Aluminum profile
Good heat dissipation

Voltage
protection

ultra-long life
40000H

LED

Soft light technology

Lack of lighting, easy to cause myopia, dizziness and other problems.

If you work under the desk lamp for a long time, you should choose a high illuminance desk lamp.

Color rendering index

Ra \geq 90

Stroboscopic test

No stroboscopic

Blue light test

Reduce the harm of blue light

Color temperature test

3000-5000K
